CORRECTION OF INVENTORSHIP PURSUANT TO 37 C.F.R. § 1.497(d)

Sir:

Applicants seek correction of inventorship for the above-referenced U.S. national phase application.

In the International Application, the above-referenced patent application lists Yuji YOSHIDA, Yoshinobu KISO and Yuta MATSUMOTO as inventors. Subsequent to International filing and subsequent to nationalization in the United States under 35 U.S.C § 371, it came to Applicants' attention that Yuji YOSHIDA and Yuta MATSUMOTO were mistranslated and are, in fact, Hirofumi KODA and Takehiro MATSUMOTO, respectively.

Applicants now respectfully request that Hirofumi KODA, Yoshinobu KISO and Takehiro MATSUMOTO be named as inventors in this application. This change is requested pursuant to 37 C.F.R. § 1.497(d).

Attached are Declarations of Hirofumi KODA and Takehiro MATSUMOTO attesting to the circumstance and indicating the error was without deceptive intention on the part of the omitted inventors. Note that because this is a mistranslation, there is no deleted inventors to sign a statement. Applicants also submit the requisite fee as set forth under 37 C.F.R. § 1.17(i).

Upon correction the inventorship for this application is:

1. **Hirofumi KODA**
2. **Yoshinobu KISO**
3. **Takehiro MATSUMOTO**

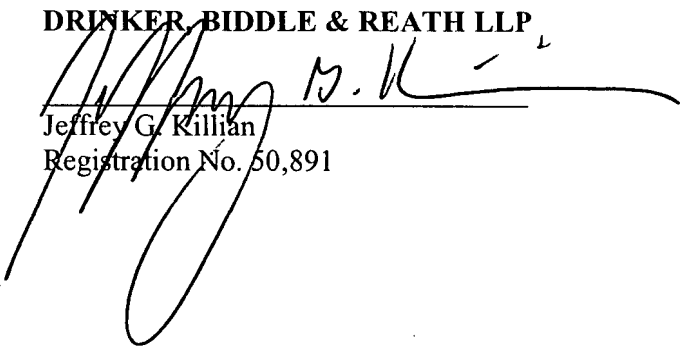

An assignment had not been executed and a consent of the assignee is not presently required.

Should the Office have any issues relating to this Request, the Office is invited to contact the undersigned attorney.

Respectfully submitted,
